

Arte Laguna Prize 2024

From November 17th to December 8th, 2024

The contest that celebrates art and emerging artists from around the world!

At Venice's Arsenale Nord, ArteLagunaPrize showcases 240 artists and works, celebrating a more interdisciplinary and transgenerational approach under curators Giulia Colletti and Chiara Canali. Selected from over 20,000 entries from 80+ countries, the Prize highlights emerging talents shaping future exhibitions.

Ten artistic categories—painting, sculpture, video, performance, digital art, and more—interact seamlessly, breaking traditional boundaries. Supported by prominent institutions, the exhibition cements its role as a global art catalyst.
