Celebrating Belgian Creativity in Shanghai!

We are proud to share that Belgian artist **Frédérique Nolet de Brauwere** has been selected to exhibit her work in Shanghai. Her painting, "Espace 12.10.20", previously recognized as a finalist at the prestigious **Arte Laguna Prize 2021** in Venice, is now featured at the Open Air Architectural Museum in Eka Tianwu, alongside works from international talents.

This exhibition, curated by Mrs. **Laura Gallon** (Director of Arte Laguna) and Chinese curator Mr. Huang Ye, brings together around 120 exceptional creations and runs until December 15.

Frédérique Nolet de Brauwere's artistic journey continues to inspire: about thirty of her paintings will soon become part of the permanent collection of the Museum of Fine Arts in Charleroi with a new display scheduled for March.

If you are in Shanghai, don't miss this unique opportunity to experience her vision!
