Among the most prestigious opportunities of this edition is the Special Prize in collaboration with FOMAS Group. A world leader in forging and high-engineered steel components. Artists are asked to reinterpret, through their creative vision, the key concepts of metal transformation, in a hanging format measuring a maximum of 3 x 2 m.

The 3 winners of this special prize will receive €7000, €4000, €3000. An unmissable opportunity to redefine the boundaries of Art.

Applications are open until June 1st.

To apply, artists must create their profile on the Arte Laguna World online portal, apply for Arte Laguna Prize, and upload their project to the dedicated section of the Special Prizes.
