Deadline:

Jun. 1, 2026 at 21:45 UTC

On the occasion of its 70th anniversary, FOMAS Group, in collaboration with Arte Laguna Prize, is promoting a Special Prize for the selection of three artworks, created using any technique, that interpret the journey of steel in its transformation from hot to cold and from liquid to solid form.

The prize, which includes three cash awards of €7,000, €4,000, and €3,000, is open to artists of any nationality and background, with no age limit, who are registered with the Arte Laguna Prize.

Works must be in panel or canvas format and must not exceed the maximum dimensions of 3 x 2 meters.

Maximum freedom of expression is permitted. There is no obligation to use steel or other metals.

The deadline for applications is June 1, 2026. Projects will be evaluated by the company's representatives, who will select the three winning proposals. Winning works will become part of the company's corporate collection.
